What is a FoodHub Gift Card?

A FoodHub Gift Card works just like an ordinary gift card, with a balance that you, a family member or a friend can redeem in participating stores. You can purchase our physical gift cards online for pick-up or delivery.

How do I use my gift card?

To use a gift card with FoodHub, simply visit your nearest FoodHub location, order and provide your card to our team member to complete the transaction. Once the transaction is successfully validated, the remaining balance on the card will be applied to your order.

How can I check the balance on my gift card?

To check the balance on your gift card, you can visit :

www.globalpaymentsinc.com/en-ca/mygiftcard

How can I top up my gift card?

To top up your gift card, you can visit your nearest FoodHub store, where a representative will be able to add additional funds to your gift card.

What's the minimum amount I can add to FoodHub Gift cards?

Each card has a minimum of \$5 you can add to a card.

Can a gift card be used to purchase items online (virtually)?

Gift cards can be used to make purchases via walk-in or call-in. However, virtual cards are coming soon!

What happens if I lose my gift card?

FoodHub Gift Cards should be treated like cash and safeguarded accordingly. FoodHub is not responsible if the Card is lost or redeemed by an incorrect recipient. If lost, stolen or damaged, Card will not be replaced. FoodHub is not responsible for Cards used without authorization.

Can I redeem my gift card for cash?

Gift cards cannot be redeemed for cash. They are intended solely for use when purchasing items via FoodHub partners.
